

# Safety Data Sheet

## Section 1: Identification

### Product identifier

Product form: Mixture

Product name: RV Kleen

### Intended use of the product

Intended use: To biodegrade organic waste

### Responsible party

Superior BioSolutions LLC

7352 Darlin Ct. Unit 1

Dane, WI 53529

800-553-5573

### Emergency telephone number

Manufacturer: 800.553.5573

Hours of operaton: 8:00am – 5:00pm *CST*

## Section 2: Hazards Identification

May cause eye irritation, 2B

## Section 3: Composition/Information on Ingredients

### Mixture

Active ingredients: Amylase, Cellulase, Lipase and Protease enzymes and non-pathogenic bacteria.

Exact percentages and full ingredients list are Trade Secrets.

## Section 4: First Aid Measures

### Description of first aid measures

Eye: IF in eyes: Rinse with water

## **Section 5: Fire-Fighting Measures**

### **Extinguishing media**

**Suitable extinguishing media: any**

**Unsuitable extinguishing media: none**

### **Special hazards arising from the mixture**

**Unusual fire or explosion hazards: None**

**Reactivity/incompatible materials: None**

### **Advice for firefighters**

**No special procedures or gear required.**

## **Section 6: Accidental Release Measures**

### **Personal precautions, protective equipment and emergency procedures**

**None**

### **Environmental precautions**

**None required**

### **Methods and material for containment and cleaning up**

**Sweep it up, return to container**

## **Section 7: Handling and Storage**

### **Precautions for safe handling**

**Handling: No special precautions required**

### **Conditions for safe storage, including any incompatibilities**

**Storage: For maximum self life store in a cool, dry place**

## **Section 8: Exposure Controls/Personal Protection**

### **Control parameters**

**None**

### **Exposure controls**

**None**

## **Section 9: Physical and Chemical Properties**

**Information on basic physical and chemical properties**

**Physical state: Dry powder**

**Color: Tan**

**Odor: Characteristic. Mild**

**pH: Not relevant**

**Flash point: Data lacking**

**Auto-ignition temperature: Data lacking**

**Decomposition Temp.: Data lacking**

**Flammability: NFPA 1**

**Solubility: Mostly but not completely water soluble**

**Explosive properties: None known**

**Oxidizing properties: Not an oxidizer**

**Explosive limits: No data available**

## **Section 10: Stability and Reactivity**

**Reactivity: No dangerous reactions known when used as directed**

**Chemical stability: Stable**

**Possibility of hazardous reactions: Hazardous polymerization will not occur**

**Conditions to avoid: None known**

**Incompatible Materials: None known**

**Hazardous decomposition products: None known**

## **Section 11: Toxicological Information**

**Information on toxicological effects**

**Not classified**

**Eye contact: Prolonged exposure may result in irritation**

## **Section 12: Ecological Information**

**The commercial strength version of this product is used by wastewater treatment plants to degrade organic waste.**

### **Section 13: Disposal Considerations**

**Due to the product's long shelf life there is no need to dispose of it. Lid and empty container may be recycled.**

### **Section 14: Transport Information**

**Non-hazardous. No special requirements.**

### **Section 15: Regulatory Information**

**Authorized by U.S.D.A. for use in federally inspected meat and poultry processing plants.**

**Reviewed and authorized by the following states: Florida, Indiana, Massachusetts, Washington, Wisconsin.**

### **Section 16: Other Information**
